WDC announces signing of binding proposal to acquire Teki

LIVETECH DA BAHIA INDÚSTRIA E COMÉRCIO S.A. (B3: WDCN3) ("Company" or "WDC Networks"), In compliance with the provisions of Securities and Exchange Commission of Brazil (CVM) Resolution No. 44, dated August 23, 2021, the Company hereby informs its shareholders and the market in general that it has signed, on this date, a binding proposal ("Proposal") with Diamond Angel Participações e Administração de Bens Próprios Ltda. and Marco Aurélio Machado (jointly, the "Sellers") the sole quota holders of Teki Comércio e Serviços de Tecnologia Ltda. ("Teki") for the acquisition of 100% of the quotas representing Teki's share capital (the "Transaction").

Teki operates in the information technology sector, primarily in the licensing and intermediation of cybersecurity software. For the fiscal year ended December 31, 2025, Teki recorded net revenue of approximately R\$ 2.4 million.

Upon consummation of the Transaction, WDC intends to expand its operations in the distribution of software and cybersecurity solutions, adding Teki's expertise in market development for technology manufacturers and support for software reseller channels to its ecosystem. The Company expects that combining these capabilities with its own structure and commercial reach will contribute to expanding its solutions portfolio and generating new business opportunities.

The acquisition price is R\$ 900,000, determined based on the premise of zero net debt as of the Transaction closing date; this amount is to be paid in full to the Sellers in a single installment on the closing date, in accordance with the terms specified in the Proposal.

Completion of the Transaction is subject to the fulfillment of certain conditions precedent typical of similar transactions, including approval by the Company's competent governance bodies, satisfactory conclusion of negotiations and execution of definitive documents, as well as the obtaining of necessary consents. The Transaction does not fall within the requirements set forth in Article 256 of Law No. 6.404/76, nor will it give rise to withdrawal rights for the Company's shareholders.

The Company will keep its shareholders and the market in general duly informed regarding developments related to the Transaction.
